LIGHT LAGERS

Tucker Lager 4.7 ABV / 19 IBU
GABF Gold winner 2021 | This Helles lager is a Bavarian specialty. Crisp, clean and crushable, Tucker Lager is the perfect balance of sweet and bitter. Refreshing light aromas of bread and honeysuckle packed in a frothy head.

TKR Pilsner 4.8 ABV / 33 IBU
Refreshing and crisp with a floral hop aroma, our TKR Pilsner pours crystal clear and is bright gold in color. Features 100%, specially-sourced German ingredients, including Noble hops, for a crisp bitterness and a smooth finish.

Slow Pour TKR Pilsner 4.8 ABV / 33 IBU
Crafted in a series of three separate pours over the course of several minutes. A technique used in Germany, the slow pour is crisp in character but gives a softer mouthfeel and well-rounded flavor with beautiful, frothy foam.

The Noble DDH Pilsner 4.8 ABV / 33 IBU
Showcases the quintessential German hop - Hallertau Mittelfrüh. Dry hopped beers are not often made with old-world, noble hops so we are glad to showcase this classic German hop. Take a big inhale and appreciate the hoppy aromatics of cedar, earthiness and dried flowers.

Malt Madness Lager 5.3 ABV / 33 IBU
Mosaic hops, raspberry, orange peel and wheat were the ingredients chosen by the people, so we made the people some beer! This brew is bursting with fruit flavors from the raspberry, orange and ultra-fruity Mosaic hops. The wheat also gives it a medium body and creamy mouthfeel.

Export Helles 6.2 ABV / 35 IBU
Bready notes from Munich Malt in combination with earthy dried flower aromatics of Mittelfrüh hops. This full bodied, thirst quenching lager gives a moderate malt/hop complexity with a slightly higher ABV than our classic light lagers.

Roberto 5.5 ABV / 34 IBU
Inspired by our bartender Robert, Roberto is an unfiltered, Kellerbier made with specialty Kazbek Czech hops. Roberto has a mellow caramel fullness and moderate bitterness to match its malt backbone. Strong hoppy flavor with aromatics of earthy citrus and Saaz hops spice.

DARK LAGERS / ALES

Georgia Red Lager 5.4 ABV / 35 IBU
True to name, our red lager pours deep amber, Georgia red. Aromas of bright German citrus hops balanced with a rich malt backbone. Bready, caramel nose with mild hints of earthy spice. Sweet taste with clean, moderately bitter finish. Excellent with food.

Lowlands Schwarzbier 5.8 ABV / 12 IBU
A black lager inspired by the rich history and topography of the Thuringian Forest of middle Germany. In the shadow of the wall, the Schwarzbier was born, dark in color, bready and roasty with notes of herbal spice.

ALT ATL 5.0 ABV / 32 IBU
An old German ale that hails from the Dusseldorf region of Germany. Altbier translates to "old beer" and is estimated to have been consumed starting over 3,000 years ago. This beer's aromatics are a bouquet of malt and hop qualities including roasted caramel, nuts, dried fruit and pine.

Sir Doppelbock 8.5 ABV / 21 IBU
Originally brewed by monks in Bavaria to sustain them through fasting times, doppelbock was considered a "liquid bread" of the 17th century. The aroma includes notes of sourdough, roast and bread. The taste is ultra full-bodied and sweet with notes of caramel, toffee and chocolate. The backend will include a mild warming. Dangerously smooth. YES SIR!

The Irishman 5.3 ABV / 33 IBU
The Irishman is a dark and roasty, yet sessionable and dry Irish Stout. Expect aromas of coffee, chocolate and cocoa. This beer has a smooth mouthfeel and a desirable roastiness that shines through in the taste. Not overly complicated,

SOURS

Goseanna 4.5 ABV / 9 IBU
Sea salt balances our Goseanna and coriander delivers a zesty, citrus spice on the nose. This style originated in Goslar, Germany where the Gose River flows. There is proof the style dates back to 500 AD. Considerable and approachable sourness that complements the beer's wheat backbone.

Salty Seas 4.5 ABV / 9 IBU
Salty Seas is a tart wheat, gose-style beer brewed with pineapple, sea salt and coriander. This is what island time tastes like. Salty Seas will take you straight to the beach with pineapple aromatics, flavors of tropical sourness and a prominent salinity.

Skip's Ruby 4.5 ABV / 9 IBU
A combination of raspberry and hibiscus was added to this Berliner Weisse style, tart ale. Named after our Head Brewmaster, Tucker's grandfather, Skip, this beer has notes of cranberry sweetness. You may see tones of red, magenta, and ruby. This one's for you, Skip!

WHEAT BEERS

Southern Heaven Hefeweizen
5.0 ABV / 8 IBU
A traditional German wheat beer, our unfiltered Southern Heaven Hefeweizen showcases the flavors and aromas of banana and clove in this classic style. Amber-gold in color with a thick, creamy head, this beer is smooth and subtly sweet.

Dunkelweisse 5.0 ABV / 18 IBU
An inviting bouquet of caramel, clove and spice from our marriage of Munich malts and hefeweizen yeast unite together for a moderately sweet and full bodied taste. This ale resembles our Southern Heaven Hefeweizen with additional highly modified, roasty malts and a round finish.
