LIGHT LAGERS

Tucker Lager 4.7 ABV / 19 IBU
GABF Gold winner 2021 | This Helles lager is a Bavarian specialty. Crisp, clean and crushable, Tucker Lager is the perfect balance of sweet and bitter. Refreshing light aromas of bread and honeysuckle packed in a frothy head.

TKR Pilsner 4.8 ABV / 33 IBU
Refreshing and crisp with a floral hop aroma, our TKR Pilsner pours crystal clear and is bright gold in color. Features 100%, specially-sourced German ingredients, including Noble hops, for a crisp bitterness and a smooth finish.

Slow Pour TKR Pilsner 4.8 ABV / 33 IBU
Crafted in a series of three separate pours over the course of several minutes. A technique used in Germany, the slow pour is crisp in character but gives a softer mouthfeel and well-rounded flavor with beautiful, frothy foam.

Roaring Twenties Radler 4.0% ABV / 8 IBU
Meaning "cyclist" in German, Radler was created in the early 1900s to quench bikers' thirsts. A light Helles lager mixed with fresh-squeezed lemonade, our Radler is not overly sweet, but a crisp and refreshing beer with the invigorating taste of lemon.

TKR Rye Pilsner 4.8 AV / 28 IBU
Part of our Brewer Series, our rye pilsner is a play on the traditional pilsner with the addition of rye which produces a spicy, pumpernickel character in the flavor. It has Mandarina Bavaria and Hallartau blanc hops, it's well-balanced, and you'll be able to appreciate the malt flavors in this brew.

DARK LAGERS / ALES

Georgia Red Lager 5.4 ABV / 35 IBU
True to name, our red lager pours deep amber, Georgia red. Aromas of bright German citrus hops balanced with a rich malt backbone. Bready, caramel nose with mild hints of earthy spice. Sweet taste with clean, moderately bitter finish. Excellent with food.

Lowlands Schwarzbier 5.8 ABV / 12 IBU
A black lager inspired by the rich history and topography of the Thuringian Forest of middle Germany. In the shadow of the wall, the Schwarzbier was born, dark in color, bready and roasty with notes of herbal spice.

Music of the Night 6 ABV / 28 IBU
Irish Stout Aged in Rye Barrels for 6 months, blended with our Lowlands lager, chocolate, black cherry. Innocent, subdued, sweet cherry and chocolate aromas masked by a powerful and domineering dark roast symphony.

Sir Doppelbock 8.5 ABV / 21 IBU
Originally brewed by monks in Bavaria to sustain them through fasting times, doppelbock was considered a "liquid bread" of the 17th century. The aroma includes notes of sourdough, roast and bread. The taste is ultra full-bodied and sweet with notes of caramel, toffee and chocolate. The backend will include a mild warming. YES SIR!

TTF Märzen Lager 5.4 AV / 35 IBU
Traditionally served at Oktoberfest, märzen is a classic, amber-colored lager beer. Our Tucktoberfest Märzen Lager has a solid caramel malt backbone with aromatics of honey, biscuit, toast and pine. It is the ultimate balance of crisp to taste. Bready nose with toasty malt notes and a slightly floral aroma. Prost!

WHEAT BEERS

Southern Heaven Hefeweizen
5.0 ABV / 8 IBU
A traditional German wheat beer, our unfiltered Southern Heaven Hefeweizen showcases the flavors and aromas of banana and clove in this classic style. Amber-gold in color with a thick, creamy head, this beer is smooth and subtly sweet.

SOURS

CLAP OF THUNDER 4.5 ABV / 9 IBU
A gose-style ale brewed with sea salt, coriander, prickly pear and strawberries. This tart ale features fruity aromatics. The taste is reminiscent of a salty ocean spray along with an assertive tartness. Subtle fruit sweetness on the back-end. A good alternative to rum, if you're a swashbuckling pirate yearning for a taste of the sea!

Skip's 7 AV / 10 IBU
Very big effervescent fruity aromatics. The taste is light with moderate acidity with a hint of floral tea on the back end. Crisp & puckering aftertaste that leaves a slight alcoholic warming.
