LIGHT LAGERS

Tucker Lager 4.7% ABV / 19 IBU

GABF Gold winner 2021 | This Helles lager is a Bavarian specialty. Crisp, clean and crushable, Tucker Lager is the perfect balance of sweet and bitter. Refreshing light aromas of bread and honeysuckle packed in a frothy head.

TKR Pilsner 4.8% ABV / 33 IBU

Refreshing and crisp with a floral hop aroma, our TKR Pilsner pours crystal clear and is bright gold in color. Features 100%, specially-sourced German ingredients, including Noble hops, for a crisp bitterness and a smooth finish.

Slow Pour TKR Pilsner 4.8% ABV / 33 IBU

Crafted in a series of three separate pours over the course of several minutes, a technique used in Germany. The slow pour is crisp in character but gives a softer mouthfeel and well-rounded flavor with beautiful, frothy foam.

California Common Style Lager

5.4% ABV / 28 IBU

A lager that drinks like a pale ale. This lager was fermented at ale temperatures giving it a strong ale-like ester profile. It has a light, but full bodied mouthfeel. The brewing of this beer also includes a large helping of wet Nugget hops (non-processed, straight off the vine) from a hop farm in Indiana.

Kellerbier 5.7% ABV / 35 IBU

"Keller" meaning cellar in German, refers to this lager's raw, unrefined character. This lager is unfiltered, hazy, and has a bit more hop character and ABV than your standard lager. This lager is moderately bitter and packs a bouquet of piney hop aromas.

Roaring Twenties Radler 4.0% ABV / 8 IBU

"Radler", literally meaning Cyclist in German, is named for a German pub owner cutting his pilsner with lemonade to quench the thirst of frequent cyclists' guests. A popular style in Germany during the summer months, this beer is our Tucker Lager mixed with house-made, fresh-squeezed lemonade (not from concentrate!). A lively tart lemon flavor that is crisp, refreshing, easy drinking.

DARK LAGERS/ALES

Georgia Red Lager 5.4% ABV / 35 IBU

True to its name, our Red Lager pours deep, Georgia red. Aromas of bright German citrus hops balanced with a rich malt backbone. Bready, caramel nose with mild hints of earthy spice. Sweet taste with clean, moderately bitter finish. Excellent with food.

Sir Doppelback 8.5% ABV / 21 IBU

Originally brewed by monks in Bavaria to sustain them through fasting times, doppelbock was considered a "liquid bread" of the 17th century. The aroma includes notes of sourdough, roast, and bread. The taste is ultra full-bodied and sweet with notes of caramel, toffee, and chocolate. The backend will include a mild warming. YES SIR!

SOURS

Skip's Imperial Berliner Weisse

7.0% ABV / 10 IBU

A kettle sour with very big, effervescent fruity aromatics. The taste is light with moderate acidity and a hint of floral tea on the back end. It has a crisp & puckering aftertaste that leaves a slight alcoholic warming.

Berlin Nights Are Crazy 6.2% ABV / 8 IBU

A stronger Berliner Weisse variation with oats, lactose, and local Bainbridge, GA honey used in the brewing process. Two types of bacteria were propagated by Southern Philosophy and TBC for the kettle souring process. This beer was fermented with a Belgian and Domestic strain of ale yeast. Red prickly pear puree was added to the beer after fermentation.

WHEAT BEERS

Southern Heaven Hefeweizen

5.0% ABV / 8 IBU

A traditional German wheat beer, our unfiltered Southern Heaven Hefeweizen showcases the flavors and aromas of banana and clove in this classic style. Amber-gold in color with a thick, creamy head, this beer is smooth and subtly sweet.

Vickie's Autumn Dusk 4.8% ABV / 18 IBU

Essentially a dark hefeweizen great for the holiday months, this beer has mild caramel flavors with clove, and banana bread aromatics. The sweet flavors do not linger and it has a relatively dry finish.
